PROFESSIONAL SUMMARY

Currently pursuing a BSc (Hons) in Data Science from CMU, I am a dedicated graduate in Computing and Software Engineering from CMU with a strong background in Full-Stack Web Development, UI/UX Design, and Mobile App Development. With experience in freelancing and media monitoring, I enjoy tackling complex technical challenges and delivering high-quality solutions. Passionate about continuous learning, I strive to stay at the forefront of innovation in both software and data engineering.

WORK EXPERIENCE

Media Monitoring Specialist

Monitoring LK | April 2021 – May 2024

- Tracked and analyzed news to deliver competitive intelligence reports to clients.
- Provided actionable insights that supported clients' strategic decision-making.

Freelancer

Freelancing Platforms | February 2019 – Present

- Delivered services in Web App & Mobile App development.
- Enhanced organizational skills and attention to detail by managing multiple client projects.

EDUCATION

BSc (Hons) in Data Science | Cardiff Metropolitan University | Expected 2026.
Higher Diploma in Computing and Software Engineering (CMU) | May 2023 – Oct 2024

- Served as Education Resource Coordinator for the Computing Society.

Diploma in Information Technology at BCAS Campus | Dec 2018 – May 2019
GCE Advanced Level (Commerce) at Zahira College, Kalmunai | Apr 2019 – Oct 2021

PROJECTS ↗

People Platform ↗

- **People Community Sharing Platform** helps people share food and resources with those in need, connecting even homeless individuals with support through others. It also features a section for community announcements and requests, fostering collaboration to address societal needs.
- The platform is built using **HTML**, **CSS**, **JavaScript**, **PHP**, and **MySQL**, ensuring a seamless and user-friendly experience.

PlaySphere ↗

- **PlaySphere** simplifies futsal bookings by allowing owners to list venues, set pricing, and manage bookings, while customers can easily explore options and secure slots. It also features a complete booking management system and **PayPal** integration for secure payments.
- Built with **HTML, CSS, JavaScript, PHP, and MySQL**, PlaySphere ensures a seamless and efficient experience for both owners and players.

Cleanzy ↗

- We developed the **Cleanzy App** using **Flutter** and **Firebase** to provide an easy and efficient solution for booking cleaning services. Users can quickly schedule appointments, choose from various service packages, and track bookings in real-time. With a user-friendly interface and reliable service options, Cleanzy ensures a seamless, hassle-free experience for all.

JOB SKILLS

- **Programming Expertise**: Proficient in Java, C#, C++, Python, Dart, and R for diverse development tasks.
- **Web Development**: Experienced in building websites with HTML, CSS, JavaScript, PHP, React, ASP.Net, WordPress, and Bootstrap, integrating MySQL for dynamic content management.
- **Mobile App Development**: Hands-on experience with Visual Studio Code, Android Studio, Java, Dart, and Flutter, managing local databases using SQLite for smooth app functionality.
- **Database Management**: Competent in MySQL, MSSQL, and Firebase for designing, managing, and optimizing databases effectively.

EXTERNAL PERSONAL SKILLS & LEADERSHIP

- Skilled in team management, project coordination, and decision-making, with a focus on motivating others, fostering collaboration, and achieving organizational goals.
- Strong verbal and written communication skills, ensuring effective teamwork, impactful presentations, and conflict resolution.
- Experienced in creating visually engaging content, including graphics, videos, and photography, using tools like DaVinci Resolve, Canva, and Photoshop.
- Education Resource Coordinator, Computing Society: Organized educational resources and promoted a collaborative learning environment.
- Deputy Head Prefect: Led school initiatives and guided peers, demonstrating leadership and responsibility.
- Athletics: Competed in school-level inter-house tournaments, securing a top 3 position, showcasing discipline, focus, and team spirit.
